

Located on the corner of Ross Road and Simpson Road in West Abbotsford

A Master Planned Neighbourhood of Upscale High Performance Homes

Located in West Abbotsford within minutes of urban lifestyle shopping, local wineries, farmers markets, Abbotsford airport, and the US border.

Each high performance home is minimum ENERGY STAR qualified and is at least 20% more energy efficient than those built to the standard BC Building Code. Ageing in place options and numerous home upgrades are available.

These homes will be simply better built.
